Throw it up, throw it up	Back to pole, right arm up left arm up
Watch it all fall out	Turn face the pole
Pour it up, pour it up	Candle legs
That's how we ball out (ball out)	
Throw it up, throw it up	Right arm up left arm up
Watch it all fall out	
Pour it up, pour it up	Candle legs
That's how we ball out	

Strip clubs and dollar bills	Pivot back to pole
I still got my money	clap legs together and open
Patron shots. Can I get a refill?	Left leg through right leg turn to face pole
I still got my money	Sit with pole between legs
Strippers goin' up and down that pole	Spin around 1 and half times to left side of pole
And I still got my money	Sit on left hip
Four o'clock and we ain't going home	Lift right leg up
'Cause I still got my money	Roll over on tummy and to right hip
Money make the world go round	Fan lead with left leg
I still got my money	Turn onto tummy
Bands make your girl go down	Body roll down, lead with chest

I still got my money	Lift bum up
Lot more where that came from	Tap right to left
I still got my money	Slide up to knees
The look in yo eyes I know you want some	Stripper legs down
I still got my money	

Oh oh oh	Left leg lunge and right leg lunge
All I see is signs	Hip rolls
All I see is dollar signs	Hip roll and knees together
Oh oh oh	Bend and up, turn back to pole
Money on my mind	Hand up leg and fingers together
Money, money on my mind	Head roll
Throw it, throw it up	Turn to face pole
Watch it fall off from the sky	Climb head roll

Throw it up, throw it up	Star gazer
Watch it all fall out	
Pour it up, pour it up	
That's how we ball out	
Throw it up, throw it up	Aerial sit
Watch it all fall out	
Pour it up, pour it up	Hello boys
That's how we ball out	

That's how we ball out	Bent leg layback
That's how we ball out	

That's how we ball out	Come up and come down facing pole
------------------------	-----------------------------------

Valet cost a hundred bills	Clap legs together on pole
I still got my money	Turn to face front and open legs
Gold all up in my grill	Clap knees together and re open
I still got my money	Left leg through right and do a full turn
Who cares how you haters feel?	Lie back on floor and lift legs up
And I still got my money	Hook left leg on, and roll onto right hip
Call Jay up and close a deal	Left left leg up
I still got my money	Roll over onto tummy
My fragrance on and they love my smell	Coming up onto knees and sweep left leg across floor, lift up on both legs
I still got my money	Bum to front
So who cares 'bout what I spend?	Down onto left hip, hand running up right leg
I still got my money	Fan lead with right leg
My pocket's deep, and they never end	Roll onto tummy, and come up onto knees
I still got my money	Left leg and right leg lunge
I'm going dumb with all my friends	Head bum up , coming up to pole
I still got my money	Pivot turn

Oh	Backspin to angel
All I see is signs	
All I see is dollar signs	Ballerina
Oh	

Money on my mind	Step left leg to right leg
Money, money on my mind	At bak of pole

Throw it, throw it up	
Watch it fall off from the sky	Invert
